

SEVEN SISTERS

SOUTH AFRICAN WINE

MERLOT 2022

This Merlot is planted on the lower mountain slopes in deep karoo soils that retain water well and render a good buffer capacity against unfavourable weather conditions. Vines are planted South East - North West to protect the grapes from direct sunlight and to utilize the prevailing South Eastern breeze to cool the grapes during the ripening season. Fermentation took place in temperature controlled stainless steel tanks at 24°C for 7 days. The wine was matured on French Oak for 4 months to add weight and complexity.

Tasting Notes

Rich, dark red colour with ripe, punchy, plum flavours, sweet black cherry and a velvet finish. Delicate wood does not mask the ripe fruit.

Enjoy now with roast chicken, beef, lamb, pasta and steak.
